

## How to order multiple Kringle flavors to one address.

1. Go to [www.ohdanishbakery.com](http://www.ohdanishbakery.com)
2. Click on the “Traditional Danish Kringle” link located just under the O&H Danish Bakery logo.
3. You can find your favorite Kringle flavor in different ways. For our example look toward the top of the page where there is a section called “All Our Kringle Flavors”. Locate the link to “Cherry” and click it. You will be taken to the Cherry Kringle product page.
4. Click into the ship-to name box that says “enter name for each recipient”. That verbiage will disappear when you click into that field. Key in the name “Terry and Joyce”.
5. Now tab over or click into the quantity field directly to the right of “Terry and Joyce” and put in the number one (1).
6. Now click the Add/Update Cart button.
7. Under the Kringle Cart section on the right side of the page you will see “Terry and Joyce” listed with 1 Cherry Kringle.
8. Now let’s add the Pecan Kringle.
9. Towards the top of the page there is a section called “All our Kringle Flavors”. Locate the link to “Pecan” and click it. You will be taken to the Pecan Kringle product page.
10. Under the Ship-To Name column heading you will see the name “Terry and Joyce”. Just to the right of that will be an empty box under the quantity column header. Put in the number one (1) in that box.
11. Now click the Add/Update Cart button.
12. Under the Kringle Cart section on the right side of the page you will see “Terry and Joyce” listed with 1 Cherry Kringle and 1 Pecan Kringle.
13. If this was a real order, you would click the “Check Out” button to enter the actual ship-to name and address information for “Terry and Joyce”.
